PRICE LIST**

NAPERVILLE NURSERIES, INC.

NAPERVILLE

ILLINOIS

This our General Price List for Spring 1946 is published as we enter our 80th year as extensive growers and distributors of quality Ornamentals; Trees, Evergreens, Shrubs, Vines and Perennials. ... For decades we have grown this superior stock in finished sizes.

During the War Years we have naturally drawn heavily upon all of our fields to supply the demand and some of the varieties have simply disappeared. In some instances even the choice of sizes is very limited.

We anticipate the gradual but sure easing of all material shortages in the near future, and as the labor situation improves we again hope to offer a most complete source of supply for all nursery and landscape needs.

All Evergreens have been three or more times transplanted and are amply spaced in the row to allow for symmetrical development. We always shear and prune to assure compact and symmetrical specimens that will successfully transplant under favorable conditions.

Our responsibility ceases with the arrival of the evergreens in good condition.
